High School Math & Science Teacher

2027–2028 School Year

South Aiken Baptist Christian School
Aiken, South Carolina

Growing in Faith, Purpose, and Wisdom

South Aiken Baptist Christian School (SABCS) is seeking a passionate, knowledgeable, and Christ-centered **High School Math and Science Teacher** to join our faculty for the 2027–2028 school year.

At SABCS, we are committed to providing an academically rigorous, biblically grounded education that prepares students for success in college, careers, and life. We are seeking a dedicated educator who is passionate about mathematics and science, inspires critical thinking and problem-solving, and desires to make a lasting impact on students through Christian education.

Position Responsibilities

- Deliver engaging, challenging, and high-quality instruction in high school mathematics and science courses.
- Develop students' analytical reasoning, problem-solving, scientific inquiry, and critical-thinking skills.
- Incorporate hands-on learning, laboratory experiences, and real-world applications to enhance student understanding.
- Integrate biblical principles and a Christian worldview throughout classroom instruction.
- Maintain high academic expectations while providing appropriate support for diverse learning needs.
- Create a structured, positive, and Christ-centered classroom environment that encourages responsibility, integrity, and academic excellence.
- Develop lesson plans, assessments, and instructional activities aligned with school curriculum standards.
- Monitor student progress and provide meaningful feedback to support academic achievement.
- Maintain professional and effective communication with parents, colleagues, and school leadership.
- Collaborate with fellow educators to support the mission, vision, and educational goals of SABCS.

Preferred Qualifications

- Bachelor's degree in Mathematics, Science, Education, or a closely related field.
- Teaching certification or eligibility for certification.
- Previous high school teaching experience preferred.
- Strong subject-area knowledge and the ability to teach a variety of secondary mathematics and/or science courses.
- Experience with laboratory instruction, scientific investigations, and technology integration preferred.
- Strong classroom management, communication, and organizational skills.
- Ability to challenge and inspire students while preparing them for college-level coursework.
- A personal commitment to Jesus Christ and a desire to model biblical values in both teaching and daily interactions.
- A passion for helping students grow in **Faith, Purpose, and Wisdom**.

Why Join SABCS?

At South Aiken Baptist Christian School, **teaching is more than a profession—it is a ministry.**

Our faculty members have the opportunity to inspire students academically, encourage their spiritual growth, and prepare them to become thoughtful, capable, and Christ-centered leaders.

We value educators who are committed to academic excellence, passionate about their subject areas, and dedicated to building meaningful relationships with students and families.

As a member of our Crusader faculty, you will have the opportunity to help students discover their God-given abilities, develop confidence in mathematics and science, and build a strong foundation for their futures.

Join our Crusader family and help equip the next generation with the knowledge, character, and faith to make a difference!
