- Develop students' critical thinking, reading comprehension, writing, grammar, research, and communication skills.
- Foster an appreciation for history, literature, and the connections between historical events and contemporary society.
- Integrate biblical principles and a Christian worldview throughout classroom instruction.
- Create a structured, positive, and engaging classroom environment that encourages academic excellence, personal responsibility, and Christlike character.
- Differentiate instruction to meet the academic needs of students while maintaining high expectations.
- Assess student progress and provide meaningful feedback to support academic growth.
- Maintain professional and effective communication with parents, colleagues, and school leadership.
- Collaborate with fel**low educators to support the mission, vision, and educational goals of SABCS.**

Preferred Qualifications

- Bachelor's degree in Education, History, English, or a related field.
- Teaching certification or eligibility for certification.
- Previous middle school teaching experience preferred.
- Strong knowledge of history, literature, grammar, and writing instruction.

- Effective classroom management, communication, and organizational skills.
- Ability to engage middle school learners through creative and meaningful instruction.
- A personal commitment to Jesus Christ and a desire to model biblical values in both teaching and daily interactions.
- A passion for helping students grow in Faith, Purpose, and Wisdom.

Why Join SABCS?

At South Aiken Baptist Christian School, **teaching is more than a profession—it is a ministry.**

Our faculty members have the opportunity to inspire students academically, encourage their spiritual growth, and prepare them to become thoughtful, capable, and Christ-centered leaders.

We value educators who are committed to academic excellence, passionate about their subject areas, and dedicated to building meaningful relationships with students and families.

As a member of our Crusader faculty, you will have the opportunity to help students discover their God-given abilities, develop confidence in mathematics and science, and build a strong foundation for their futures.

Join our Crusader family and help equip the next generation with the knowledge, character, and faith to make a difference!
